Easter Drama To Be Presented

"The Resurrection," a stirring story of the Saviour's resurrection from the the dead will be given in Vespers Palm Sunday. This play, taken from *Vespers Dramas* by Marcus Bach, carries all the poignancy and beauty connected with the Easter season. This is a presentation of the Faith and Life Commission.

The cast, chosen from the student body, is under the direction of Miss Abels. To all whose hearts are prepared for the true meaning of the Resurrection, this play has a story to tell.

LIBRARY NEWS

BOOK RECEIVED FROM DR. SHERWOOD EDDY

We all so thoroughly enjoyed the recent visit of Dr. Sherwood Eddy to our campus, that we are happy to announce his presentation to our library of one of his books.

The title is "I Have Seen God Do It." In it Dr. Eddy has gathered from all over the world accounts of what God has done for someone. And every story is true, coming from the experiences of the author or some acquaintance of his. This book will strengthen our belief in modern miracles.

CHEAVENS NOVEL REVIEWED CROSSWINDS—

by Martha Cheavens.

In *Donde*, the little American town on the Mexican border, as everywhere, there stirred always the crosswinds of strength and weakness, of hope and fear, of good and evil. Sometimes these crosswinds rage violently, and this is the exciting and very moving story of how several people in *Donde* braved the tempests that beset them, and of how more than one came through safely to the understanding and peace that are the rewards of love and courage.

A good example is the best sermon.

Executives Meet At Albuquerque

Bannerman Presides at National Conference

Dr. Bannerman is in Albuquerque, New Mexico attending a conference of all executives of Schools and Hospitals under the Board of National Missions. This will bring together all executives—from Mr. Leslie Yaw, president of Sheldon Jackson College, Sitka, Alaska and Miss Isabel Miller of Haines House, Alaska, formerly at Warren Wilson, down to Dr. Emilio Rodriguez of LaProgresiva, Cuba. Dr. Bannerman has been appointed as chairman of this conference.

Meets "Kitty"

The conference is being held at Menaul School, and, as some of the older students will remember, Adargelia Velez is studying at the University of New Mexico and living at Menaul this year. Dr. Bannerman wrote about meeting "Kitty" and how delighted she was to see him. Dr. Bannerman will be back on the campus early next week.

TYPESETTING AND PRESSWORK

For Girls Only

Somebody is slipping! On curtains, walls, doors and various other places around campus lip prints have been seen. (Someone evidently can't find anything better to blot their lipstick on.) Miss Klemm went to all the trouble of making the powder room in the ad building possible for the girls and now someone has blotted their lipstick on the curtain.

This is a very distasteful thing to look at. It shows uncleanliness and a lack of school spirit. If for no other reason, girls should refrain from kissing walls and doors (which more than likely have thousands of germs on them) because they value their health. Anyone with an ounce of respect for herself or her school would make sure she never did this.

What must visitors think of the students, more especially the girls, when they see lip prints on walls in the dorms or on a curtain in the ad building? Well, they probably don't get a very good impression. Here again school spirit comes into the picture because if one respects her school, she won't do something that will leave a bad impression

A Lighted Match

A sorrowing widow, having a monument erected in memory of her late husband, had the following inscription carved on it:

"Goodbye, Henry. My Light Has Gone Out."

Three months later, when she was remarried, some wit added to the inscription:

"But I Have Struck Another Match."

on the school.

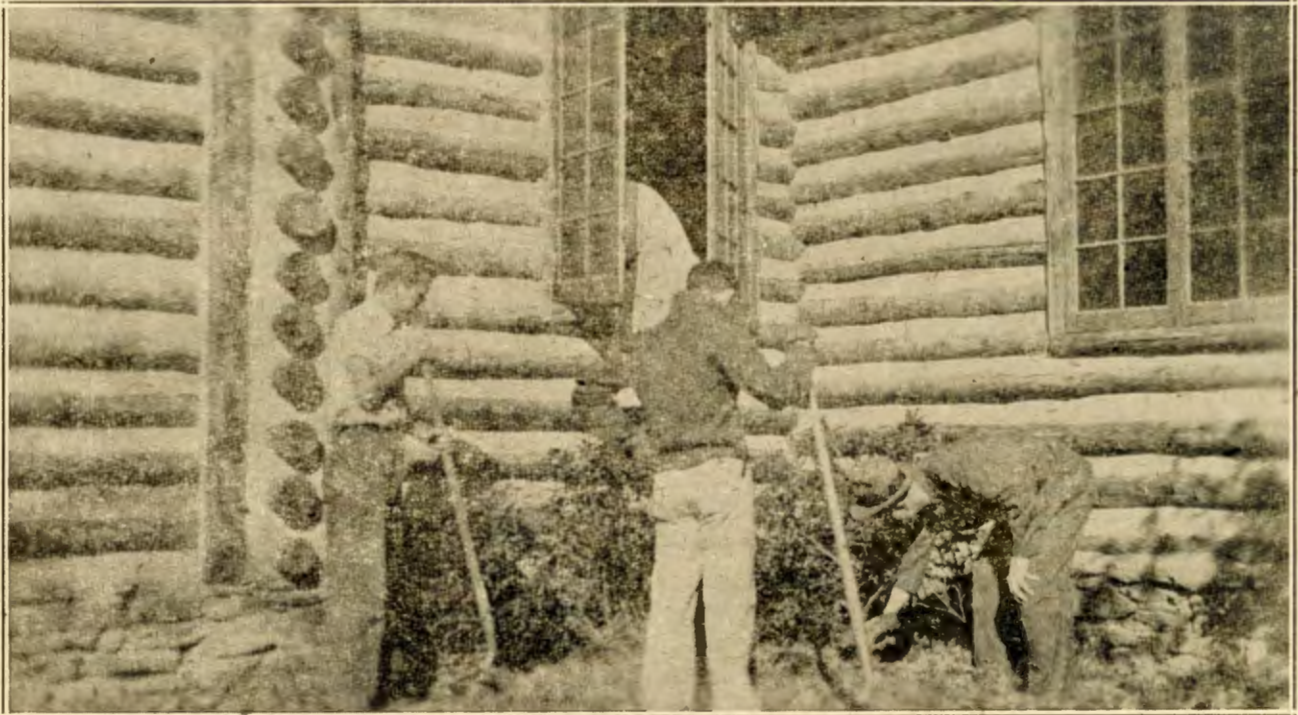

Part of the damage is already done, but in these last weeks of school every girl should try to atone for the damage by being doubly careful about such matters.

Party Is Success

The social committee and the stewardship commission wish to thank all those who made the St. Patrick's Day party a success. The \$26 that was cleared will go in the Youth Budget and be used for staking claims.

Thanks go to Mr. Connet, Mr. Deihl, Mr. Ellassen, and Dr. Jensen for singing in the quartet; Dr. Jensen for singing and playing his guitar; Gene Fine for being master of ceremonies; and all the girls who packed boxes.

JOB WANTED — Knut Heise is looking for a job. If anyone has garden work or any other odd job, please contact him.

LANDSCAPING work, under the supervision of Dr. Jensen, is a continuing activity on the campus. This picture shows a former crew setting out shrubs beside the chapel.

Snoop... Snoop

As we gaze into our crystal ball this week, we can see all colors of things! First we see TOMMY JACKSON cavorting around with a letter in his hand. Now who could that letter be from? It's from a girl with dark brown hair and eyes to match. Oh, BILLIE MADGE, of course. That's why he's been giving all the other girls the air!

We see a couple strolling hand in hand. BOB FILIPPENKO and LINDA. She's doing a good job of making him feel welcome here. Just ask him!

Whats this? DAL CLEVINGER surrounded by a bunch of girls. Dal, tell us who heads the list. You've got us all wondering.

Now we see another handsome couple. Why, it's ETTA JEAN and that BUCKY that works for Mr. Da-

vidson. She sure seems to go for guys that take woodworking.

Into our view comes a new couple. This time it's FLASH and IRENE. What brought all this on?

We can't seem to see HERBIE and BETTY SUE together when we look into our crystal ball. What's the matter, Herb? Has the bell stopped ringing?

We see a lassie strolling all by herself. This must be the Doe of the week—and you know, it's JENNIE LIPARI.

Here comes ZUMMIE. Why, he must be the Stag of the Week!

Now we can see a group of unfamiliar boys, but from the way it looks we'll soon know them. Just ask the GUNNOE twins!

We can't quite tell if there's anything to this one or not, but we can see that MENTIE TAYLOR and BOB RAMEY always seem to land at the same table come supptime.

Our crystal ball tells us it's time to go, so we'll say so long for now. See you next week!

Outside, Please, Outside

He killed the noble Mudjekeewis;
With the skin he made him mittens,
Made them with the fur side inside,
Made them with the skin side outside;

He to get the warm side inside,
Put the inside skinside outside;
He to get the cold side outside,
Put the warm side fur side inside;
That's why he put the fur side inside,

Why he put the skin side outside,
Why he turned them inside outside.

Lassie Stars in Historic Film

The movie for Saturday night is "Challenge to Lassie." It will be shown in the chapel at 7:30 p.m.

For the first time, canine star Lassie plays an historic role. Years ago in Scotland, a dog named "Greyfriars Bobby" made international headlines for his devotion to his dead master, and today is honored by a statue in Edinburgh. His story makes a touching movie for all ages. Lassie's human friends include actors Edmund Gwenn, Donald Crisp, Reginald Owen, Sara Allgood, and Geraldine Brook.

Mr. and Mrs. Swartz will be the guests of the Church Vocation group Tuesday night, March 28, at 8:15 in the St. Clair parlor. The group will hold an informal discussion and all students who are interested in the possibility of a church vocation are invited to attend.
